Powder Springs Preliminary Design Review

Vineyards at New Macland

- All new homes built by create homes will consist of 50% brick and/or stone on the front elevation, in accordance with the current neighborhood zoning requirements.
- All roof shingles used by create homes will be of the same color field (i.e. weathered wood or similar) as the current homes in the neighborhood (see below).
- All garage doors used by create homes will be consistent with those currently installed in the neighborhood (see below).
- The mailbox used by create homes will be a black, decorative cast aluminum mailbox (see below).
