Application Checklist

The following information will be required:

1. Application
 2. Notice of Intent
 3. Applicant's Written Analysis
 4. Campaign Contribution Disclosure
 5. Owner's Authorization, if applicable.
 6. Legal Description and Survey Plat of the property
 7. Application Fee (summary of fees attached)
 8. Copy of the Deed that reflects the current owners name
 9. Vicinity Map outlining the parcel/s in relation to the surrounding area
 10. Site plan, plat or survey prepared by an architect, engineer. The following information **must** be included:
 Specific use or uses proposed for the site. Acreage, bearing and distances, other dimensions, and location of the tract(s). Locations, sizes and setbacks of proposed structures, including the number of stories and total floor area, height, for residential number of units, Square footage of heated floor area. Detention/retention areas, and utility easements. Location of dumpsters. Public or private street(s) - right of way and roadway widths, approximate grades. Location and size of parking area with proposed ingress and egress. Specific types and dimensions of protective measures, such as buffers. Landscaping. Wetlands, stream buffers, and 100 year floodplain.
 11. Sketch Plan/ Architectural Rendering, if applicable
 12. Traffic Study required for development with 500,000 sf of nonresidential floor area or 350 dwelling units or more.
- List additional attachments:

Note Carefully

If your application qualifies as a "Development of Regional Impact" (see Article 13) then you must follow additional procedures **BEFORE** your application can be considered. The Community Development Department will assist you with the DRI process, which is mandated by State and GRTA requirements.

Indicate the current zoning district of the property, and the zoning district you are requesting. File a separate application for each Rezoning request naming a different zoning district. A Special Use request, Variance request can be filed concurrently with a Rezoning request on the same property by separate application.
