Dear Danielle Harrell,

As you are aware, the City of Powder Springs is in the process of purchasing property to improve the roadway designated above. In order to make this project possible, 0.91 acres or 36,940.00 square feet of your property in fee simple will be needed. This is more particularly shown highlighted on the plat attached to the option with this letter.

A new appraisal was done on June 10, 2025, the estimate of value of the property and/or rights to be purchased is \$396,400.00. This estimate of value is based upon verified market sales of similar properties provided by a state certified real estate appraiser and includes values for existing improvements such as fencing, landscaping, etc.

Enclosed for your review are the following documents:

1. Summary Statement Basis for Just and Adequate Compensation
2. Agreement to Purchase Real Estate with Exhibits
3. Copies of the Right-of-Way plan, data table, cross-sections, driveway profiles
4. City's Brochure,

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).
