If such approval is requested, all subcontract documents shall be submitted to ARC's Executive Director or her authorized agent, for her review and approval prior to the execution of such subcontract. Further, if requested by ARC's Executive Director or her authorized agent, the Subgrantee shall

provide ARC with such documentation as ARC's Executive Director shall require, regarding the method the Subgrantee used in selecting its subcontractor. The Subgrantee acknowledges that if work or services to be performed under this agreement is financed solely or partially with federal funds, the selection of subcontractors is governed by regulations requiring competition between potential subcontractors or adequate justification for sole source selection. The Subgrantee agrees to abide by such regulations in its selection procedure.

6. Prompt Payment and Retainage. The prime subgrantee agrees to pay each subcontractor under this prime grant for satisfactory performance of its contract no later than 30 days from the receipt of each payment the prime subgrantee receives from ARC. The prime subgrantee agrees further to return retainage payments to each subcontractor within 30 days after the subcontractors work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of ARC. This clause applies to both DBE and non-DBE subcontracts.

Any subgrantee found not to be in compliance with this clause will be considered in breach of contract and any further payments will be withheld until corrective action is taken. If subgrantee does not take corrective action, subgrantee may be subject to contract termination.

7. Assignability. The Subgrantee shall not assign, sublet or transfer all or any portion of its interest in this agreement without the prior written approval of ARC.
8. Amendments. ARC may require changes in this agreement. Except for termination for cause or convenience, such changes, including any increase or decrease in the amount of the Subgrantee's compensation shall be incorporated in written amendments to this agreement. Amendments to this agreement may be executed on behalf of ARC only by ARC's Executive Director and Chairman.
9. Insurance. The Subgrantee will have and maintain insurance coverage that complies with the laws of the state of Georgia, as well as reasonable and prudent business practices. Such insurance shall at least include Worker's Compensation, Public Liability, Property Damage, and Valuable Papers coverage.

11. Formal Communication. Formal communications regarding this agreement shall include, but not necessarily be limited to correspondence, progress reports and fiscal reports.

All formal communication regarding this agreement shall be in writing between the person executing this agreement on behalf of the Subgrantee (executor) and ARC's Executive

Director. However, the Subgrantee executor and ARC's Executive Director shall each have the right to designate in writing to the other an agent to act in his or her behalf regarding this agreement. Any restrictions to such designation must be clearly defined in the written designation.

In this regard, ARC's Executive Director hereby designates the Chief Operating Officer as her agent for purposes of this contract only, except for Amendments and Terminations.

12. Reports. The Subgrantee shall furnish ARC with narrative progress reports, in such form and frequency as may be specified by ARC's Executive Director or her authorized agent, outlining the work accomplished by the Subgrantee during the period, including the current status of the Project, and the percentage of work which has been completed.
13. Financial Reports. In addition to other records required by this contract, the Subgrantee agrees to provide to ARC such additional financial reports in such form and frequency as ARC may require in order to meet ARC's requirements for reporting to the Concerned Funding Agencies.

Part 31, apply to its actions pertaining to this Project. Upon execution of the underlying contract, the Subgrantee certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the project for which this contract work is being performed. In addition to other penalties that may be applicable, the Subgrantee further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Subgrantee to the extent the Federal Government deems appropriate.
15. Review and Coordination. To ensure adequate assessment of the Subgrantee's project and proper coordination among interested parties, ARC shall be kept fully informed concerning the progress of the work and services to be performed hereunder. The Subgrantee may be required to meet with designated representatives of ARC and the Concerned Funding Agencies from time to time to review the work and services performed. The Subgrantee shall be given reasonable written notice of such meetings.
16. Inspections. 17. Maintenance of Cost Records. The Subgrantee shall maintain all books, documents, papers, accounting records and other evidence pertaining to costs incurred on the Project and shall make such material available at all reasonable times during the period of the agreement, and for three years from the date of final payment under the agreement, for inspection by ARC, the Concerned Funding Agencies, and if the work and services to be performed under this agreement is wholly or partially funded with federal funds, the Comptroller General of the United States, or any of their duly authorized representatives. The Subgrantee shall include the provisions of this paragraph in any subcontract executed in connection with this Project.
18. No Obligation by the Federal Government. ARC and the Subgrantee acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to ARC, the Subgrantee, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.
19. Status as Independent Contractors. Nothing contained in this agreement shall be construed to constitute the Subgrantee or any of its employees, servants, agents or subcontractors as a partner, employee, servant, or agent of ARC, nor shall either party to this agreement have any authority to bind the other in any respect, it being intended that each shall remain an independent contractor.
20. Subgrantee's Personnel. The Subgrantee represents that it has, or will secure at its own expense, all personnel required to perform the services under this agreement. Such personnel shall not be employees of ARC, nor shall such personnel have been employees of ARC during any time within the twelve-month period immediately prior to the date of this agreement, except with the express prior written consent of ARC. Further, the Subgrantee agrees that no such former ARC employees shall be involved in any way with the performance of this agreement, without the express prior written approval of ARC.
21. Employees' Rate of Compensation. The rate of compensation for work performed under this project by a staff member or employee of the Subgrantee shall not exceed the compensation of such person that is applicable to his or her other work activities for the Subgrantee. Charges for salaries and wages of individuals shall be supported by time and attendance and payroll distribution records.
22. Interest of Subgrantee. The Subgrantee covenants that neither the Subgrantee, nor anyone controlled by the Subgrantee, controlling the Subgrantee, or under common control with the Subgrantee, nor its agents, employees or Subgrantees, presently has an interest, nor shall acquire an interest, direct or indirect, which would conflict in any manner or degree with the performance of its service hereunder, or which would prevent, or tend to prevent, the satisfactory performance of the Subgrantee's service hereunder in an impartial and unbiased

manner. The Subgrantee further covenants that in the performance of this agreement no person having any such interest shall be employed by the Subgrantee as an agent, Subgrantee or otherwise. If the Subgrantee contemplates taking some action which may constitute a violation of this paragraph, the Subgrantee shall request in writing the advice of ARC, and if ARC notifies the Subgrantee in writing that the Subgrantee's contemplated action will not constitute a violation hereof, then the Subgrantee shall be authorized to take such action without being in violation of this paragraph.

23. Interest of Members of ARC and Others. No officer, member or employee of ARC, and no public official of any local government which is affected in any way by the project, who exercises any function or responsibilities in the review or approval of the project or any component part thereof, shall participate in any decision relating to this agreement which affects his or her personal interests or the interest of any corporation, partnership or association in which he or she is directly, or indirectly, interested; nor shall any such officer, member or employee of ARC, or public official of any local government affected by the project, have an interest, direct or indirect, in this agreement or the proceeds arising therefrom.
24. Officials Not to Benefit. No member of or delegate to the Congress of the United States of America, resident commissioner or employee of the United States Government, shall be admitted to any share or part of this agreement or to any benefits to arise herefrom.
25. Compliance with Requirements of the Concerned Funding Agencies. The Subgrantee shall be bound by the applicable terms and conditions of the Grant Contract between ARC and the Concerned Funding Agencies which said Grant Contract is on file in the offices of ARC and is hereby made a part of this agreement as fully as if the same were attached hereto. ARC will notify the Subgrantee in writing of any applicable changes within a reasonable time after ARC has received appropriate notice of such changes from the Concerned Funding Agencies.
26. Rights in Documents, Materials and Data Produced. For purposes of this agreement, "data" includes, but is not limited to, writings, sound recordings, photographs, films, videotapes or other graphic representations and works of a similar nature. ARC and the Concerned Funding Agencies shall have the right to use same without restriction or limitation and without compensation to the Subgrantee other than as provided in this agreement. The Subgrantee acknowledges that matters regarding rights to inventions and materials generated by or arising out of this agreement may be subject to certain regulations issued by the Concerned Funding Agencies.
27. Data and Software Licensing. During performance of the work covered by this Agreement ARC may provide certain data or software products, such as aerial photography or commercially available planning data and software, to the Subgrantee that have been obtained from various sources under specific licensing agreements. The Subgrantee acknowledges that any data or software that ARC may provide hereunder is provided as a non-exclusive, non-transferable, limited license for the Subgrantee or its Sub-Subgrantees to use the data or software for the work covered by this Agreement only. The Subgrantee shall

not redistribute, republish or otherwise make this data or software available to any party not covered by this Agreement. The Subgrantee or any Sub-Subgrantees shall not use this data or software for any work not covered by this Agreement. The Subgrantee further acknowledges that upon completion of the project covered by this Agreement all data and software provided by ARC will be returned to ARC and all copies of the data or software residing on the Subgrantee's or Sub-Subgrantee's computer systems will be removed.

28. Publicity. Articles, papers, bulletins, reports or other material reporting the plans, progress, analysis or results and findings of the work conducted under this agreement shall not be presented or published without first submitting the same to ARC for review and comment. No such presentation shall be made until comments have been received from ARC regarding such review; provided, however, if such comments have not been received by the Subgrantee within thirty calendar days after such submission, it shall be presumed that ARC has no objection thereto. ARC's comments, objections, reservations or disagreements regarding such material shall be accommodated as ARC shall specify.
29. Assurances. The Subgrantee hereby assures and certifies that it will comply with the appropriate regulations, policies, guidelines and requirements (as applicable), including, but not limited to, 2 CFR Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," 48 CFR 31, "Contract Cost Principles and Procedures," Executive Order 12372, "Intergovernmental review of Federal programs," U.S. Office of Management and Budget Circular Nos. For audits of fiscal years beginning on or after December 26, 2014, the provisions of 2 CFR 200.501 supersede OMB circular A133. A nonfederal entity that expends \$750,000 or more in federal awards during its fiscal year must have a single or program-specific audit conducted for that year. Also, the Subgrantee gives assurance and certifies with respect to this agreement that:

31. Other Requirements. In addition to other requirements of this agreement, the Subgrantee agrees to comply with, and shall be bound by, the applicable terms and conditions of all state and federal laws or regulations governing and defining resources, project administration, allowable costs and associated procurement standards, and the ARC

Disadvantaged Business Enterprise Plan (in compliance with 49 CFR Part 26), as appropriate. In addition, the Subgrantee further agrees to comply with the DBE Utilization Plan submitted to ARC as part of its proposal. All such documents are hereby made part of this agreement fully as if the same were attached hereto.

The Subgrantee shall not discriminate on the basis of race, color, national origin, or sex in the performance of this agreement. The Subgrantee shall carry out applicable requirements of 49 CFR 26 in the award and administration of DOT assisted agreements. Failure by the Subgrantee to carry out these requirements is a material breach of this agreement, which may result in the termination of this agreement or such other remedy as the recipient deems appropriate.

The Subgrantee agrees to pay each subcontractor under this prime agreement for satisfactory performance of its agreement no later than thirty business days from the receipt of each payment that said prime Subgrantee receives from ARC. The prime Subgrantee agrees further to return retainage payments to each subcontractor within ten business days after the subcontractors work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of ARC. This clause applies to both Disadvantaged Business Enterprises and non-Disadvantaged Business Enterprises.

32. Termination for Mutual Convenience. ARC or the Subgrantee may terminate this agreement in whole or in part when both parties agree that the continuation of the project would not produce beneficial results commensurate with the further expenditure of funds. The two parties shall, through formal written amendment, agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated. The Subgrantee shall not incur new obligations for the terminated portion after the effective date, and shall cancel as many outstanding obligations as possible. ARC shall evaluate each noncancelable obligation to determine its eligibility for inclusion in project costs. Settlement will be made in accordance with the terms and conditions of this agreement. ARC shall allow full credit to the Subgrantee for the ARC share of the non-cancelable obligations, properly incurred by the Subgrantee prior to termination.
33. Termination for Convenience. ARC may terminate this agreement, in whole or in part, at any time by giving written notice to the Subgrantee of such termination and specifying the effective date thereof, at least fifteen days before the effective date of such termination. In that event, all information and material produced or collected under this agreement and/or used in the performance of the scope of services shall, at the option of ARC, become its property. If this agreement is terminated by ARC as provided in this paragraph, the Subgrantee will be reimbursed for the otherwise allowable actual expenses incurred by the Subgrantee up to and including the effective date of such termination, as authorized in Attachment "B." The Subgrantee shall not incur new obligations for the terminated portion after the effective date and shall cancel as many outstanding obligations as possible. ARC shall evaluate each noncancelable obligation to determine its eligibility for inclusion in project costs.

34. Termination of the Agreement for Cause. If the Subgrantee, due to its action or failure to act, shall fail to fulfill in a timely and proper manner its obligations under this agreement, or if the Subgrantee has or shall violate any of the covenants, agreements, representations or stipulations of this agreement, ARC shall thereupon have the right to terminate this agreement by giving written notice to the Subgrantee of such termination and specifying the effective date thereof, at least five days before the effective date of such termination. In such event, all information and materials collected or produced under this agreement and/or used in the performance of the scope of services shall, at the option of ARC, become its property. The Subgrantee shall be entitled to receive just and equitable compensation for any satisfactory work completed under the Scope of Service up to and including the effective date of termination as authorized in Attachment "B." Notwithstanding the foregoing to the extent provided by law, the Subgrantee shall not be relieved of liability to ARC for damages sustained by ARC by virtue of any breach of this agreement by the Subgrantee and ARC may withhold any payments to the Subgrantee for the purpose of set-off for damages caused by the Subgrantee's breach, until such time as the exact amount of damages to ARC from the Subgrantee is determined.
35. Termination Due to Non-Availability of Funds. Notwithstanding any other provision of this agreement, in the event that any of the funds for carrying out the functions to which this agreement relates do not become available, then, upon written notice to the Subgrantee, this agreement may be immediately terminated without further obligation of ARC.
36. Suspension Due to Non-Availability of Funds. The Concerned Funding Agencies have the right to suspend financial assistance for this project. Consequently, ARC reserves the same right regarding this agreement. Such suspension would cause the withholding of further payments and/or prohibiting the Subgrantee from incurring additional obligations during the suspension period. However, unless notified in writing to the contrary, such suspension would not invalidate obligations otherwise properly incurred by the Subgrantee prior to the date of suspension to the extent that they are noncancelable.
37. Disputes and Appeals Any dispute concerning a question of fact arising either from a Subgrantee or subgrant selection decision, or under a Subgrantee or subgrant contract, once executed, shall be decided by ARC's Chief Operating Officer who, after advisory consultation with all appropriate ARC officials (e.g., General Counsel, etc.), shall promptly reduce such decision concerning the question of fact to writing and mail, or otherwise furnish a copy thereof, to the disputing party (i.e., as appropriate, either: the unsuccessful proposer; or the Subgrantee or subgrantee). The Chief Operating Officer shall concurrently fully advise the disputing party, in writing, of the provisions outlined herein below concerning the disputing party's right to appeal the decision to the ARC Executive Director. A copy of all such documents shall also be furnished to the ARC Office of General Counsel.

The decision of the Chief Operating Officer shall be final and conclusive unless, within ten (10) calendar days of receipt of such written decision, the disputing party mails or otherwise furnishes a written appeal concerning the question of fact to the ARC Executive Director, who shall arrange a formal hearing within twenty (20) calendar days after receipt of such appeal. Both the appealing party and the Chief Operating Officer shall be notified no less

than five (5) calendar days in advance of the hearing and shall have the right to present witnesses and give evidence concerning the question of fact at such time. Within twenty (20) calendar days after the hearing, the Executive Director shall make a decision concerning the question of fact in writing to the appealing party and to the Chief Operating Officer. A copy of the decision shall also be furnished to the ARC Office of General Counsel.

The decision of the Executive Director concerning the question of fact shall be final and conclusive unless determined by the cognizant grantor agency or agencies, or the Comptroller General of the United States, or a court of competent jurisdiction to have been arbitrary, capricious, an abuse of discretion or otherwise not in accordance with the law.

Pending final decision of an appeal to the Executive Director under a Subgrantee or subgrant contract already executed, the Subgrantee or subgrantee shall proceed diligently with the performance of the contract and in accordance with the Chief Operating Officer's decision.

Nothing in the foregoing shall be construed as making final the decisions of the Chief Operating Officer or the Executive Director as such decision relate to question of law.

38. Force Majeure. In no event shall either Party be responsible or liable for any failure or delay in the performance of its obligations hereunder upon the occurrence of any circumstance beyond the control of either party, such as acts of God, war, acts of terrorism, government regulations, disaster, strikes, work stoppages, accidents, mandatory quarantines, pandemics, curfews, or other restrictions of movements, or civil disorder, to the extent that such circumstances make it illegal or impossible for either Party to fulfill the terms of this Agreement. Any termination or delay in the performance of this Agreement without liability is conditioned upon delivery of written notice to the other party setting forth the basis for such termination as soon as reasonably practical, but in no event longer than ten (10) days, after learning of such basis. It is understood that both Parties shall use reasonable efforts which are consistent with industry standard to fulfill the performance of this agreement to the extent feasible.
39. Applicable Law. This agreement shall be deemed to have been executed and performed in the State of Georgia. All questions of interpretation and construction shall be construed by the laws of Georgia.

IN WITNESS WHEREOF, the Subgrantee and ARC have executed this agreement as of the day first above written.
