The method and manner of performance of the Work shall be under the exclusive control of the Contractor. The City shall have the right to inspect such undertakings at any time without prior notice.
- Time of the Essence. Time is of the essence regarding all dates and deadlines in this Agreement. If the deadline for performance of any obligation by the City or the Vendor/Contractor shall fall on a weekend day or a date recognized as a holiday by the City, then such deadline shall automatically be deemed to fall on the first business day thereafter.
- Assignment. Vendor/Contractor may not assign this Agreement without the prior written of the City.
- Entire Agreement. This Agreement contains the entire agreement between the parties. No modification or amendment of this Agreement shall be of any force or effect unless made in writing and executed by City and Vendor/Contractor. Should any provision or term of any exhibits, attachments, or other matters incorporated herein by reference conflict with or differ from the provisions of this Agreement, this Agreement shall control.
- Severability: This Agreement is intended to be performed in accordance with and only to the extent permitted by all applicable laws, ordinances, rules and regulations. If any of the provisions of this Agreement or the application thereof to any person or circumstances shall for any reason and to any extent be invalid or unenforceable, then the remainder of this Agreement and the application of such provisions to other persons or circumstances shall not be affected thereby but shall be enforced to the greatest extent permitted by law.
