Mr. Meyers:

My wife spoke with you today concerning the proposed liquor store on Powder Springs Road. As my wife told you, the permit for the store was applied for with Cobb County and was turned down. The owner has now purchased the adjoining property to reapply to the City of Powder Springs upon annexation. I object to the liquor store. I have from the beginning. There is a new church being built (I have attached the application) which would be too close for a liquor store. Cobb County and Powder Springs has surrounded my home with commercial enterprises causing my property value to plummet. I believe the store would increase crime in the area. We also have a problem with dumping around us. I request that the permit be denied. Thank you for your time.

Sincerely:  
Alan M. Webb

Good Afternoon Mr. Myers,

Trust you are well. This is a follow-up to my voicemail just now. We, Covenant Christian Ministries, Inc., own the property located at 2951 Powder Springs Road, Marietta, GA 30064 and have been approved by Cobb County to build our church. We received your information from nearby resident Cindy Webb and were informed of a permit request for an owner to build a liquor store located near our property.

I called on behalf of Pastor Frederick Anderson to speak with you further about the project along with providing our opposition to such a permit being granted for a liquor store so close to our church.

Please give me a call at [REDACTED] or on my business cell phone at [REDACTED] to discuss further.

Also, if you are able to provide any information for the request and/or the Zoom details for tonight's meeting we would greatly appreciate it.

Thanks!  
Rebecca Cole  
Business Manager
