Dear Mr. Myers,

I am a neighbor of Fernando Sandoval who resides at [REDACTED] and received a letter regarding a special use request for his fence. I'm writing to let you know that I hope the city will approve the fence the way it is because it is an asset to our neighborhood. I am not alone in this, others in my neighborhood have expressed admiration for the fence on his property and hope it will remain. Thank you for your consideration.

Respectfully,

Evelyn Sanders
