This Project Framework Agreement for Transportation Facility Improvements is made and entered into this _____ (the "Effective Date"), by and between the GEORGIA DEPARTMENT OF TRANSPORTATION, an agency of the State of Georgia, hereinafter called the "DEPARTMENT", and the **CITY OF POWDER SPRINGS** acting by and through its Mayor and City Council, hereinafter called the "LOCAL GOVERNMENT" (the "Agreement").

WHEREAS the LOCAL GOVERNMENT has represented to the DEPARTMENT a desire to improve the transportation facility described in Exhibit "A", attached, and incorporated herein by reference, identified as PI #0019781 and hereinafter referred to as the "PROJECT"; and

WHEREAS the LOCAL GOVERNMENT has represented to the DEPARTMENT a desire to participate in certain activities, as applicable, including the funding of certain portions of the PROJECT and the DEPARTMENT has relied upon such representations; and

WHEREAS the DEPARTMENT has expressed a willingness to participate in certain activities of the PROJECT as set forth in this Agreement; and

WHEREAS the Constitution authorizes intergovernmental agreements whereby state and local entities may contract with one another "for joint services, for the provision of services, or for the joint or separate use of facilities or equipment; but such contracts must deal with activities, services or facilities which the contracting parties are authorized by law to undertake or provide." Ga. Constitution Article IX, §III, ¶I(a).

NOW THEREFORE, in consideration of the mutual promises made and of the benefits to flow from one to the other, the DEPARTMENT and the LOCAL GOVERNMENT hereby agree each with the other as follows:

1. The LOCAL GOVERNMENT has applied for and received "Qualification Certification" to administer federal-aid projects. The GDOT Local Administered Project (LAP) Certification Committee has reviewed, confirmed and approved the LAP certification for the LOCAL GOVERNMENT (current expiration date: 3/31/2025) to develop federal project(s) within the scope of its certification and pursuant to and in accordance with the DEPARTMENT'S current versions of Local Administered Project Manual, the DEPARTMENT'S Plan Development Process (hereinafter referred to as "PDP"), Electronic Data Guidelines,

Plan Presentation Guide, and any other applicable DEPARTMENT guidance.

2. The DEPARTMENT shall participate in the PROJECT by funding all or certain portions of the PROJECT costs for the preconstruction engineering (design) activities, herein referred to as "PE", as specified in Exhibit "A". The LOCAL GOVERNMENT shall contribute to the PROJECT by funding those project costs as set out in Exhibit "A".

3. The funding portion as identified in Exhibit "A" of this Agreement only applies to the PE. Further, the LOCAL GOVERNMENT shall be responsible for repayment of any expended federal funds if the PROJECT does not proceed forward to completion due to a lack of available funding in future PROJECT phases, changes in local priorities, or cancellation of the PROJECT by the LOCAL GOVERNMENT without concurrence by the Federal Highway Administration (FHWA).

The LOCAL GOVERNMENT shall accomplish the PE activities in accordance and pursuant to with the LAP certification as outlined above in Paragraph 1, the PDP, the applicable guidelines of the American Association of State Highway and Transportation Officials, hereinafter referred to as "AASHTO", the DEPARTMENT's Standard Specifications Construction of Transportation Systems, and all applicable design guidelines and policies of the DEPARTMENT, in order to, among other goals, produce a cost effective PROJECT. Failure to follow the PDP and all applicable guidelines and policies will jeopardize the use of federal funds in some or all categories outlined in this Agreement, and it shall be the responsibility of the LOCAL GOVERNMENT to make up the loss of that funding.

6. The primary consultant firm or subconsultants hired by the LOCAL GOVERNMENT to provide services on the PROJECT shall be prequalified with the DEPARTMENT in the appropriate area-classes. The DEPARTMENT shall, on request, furnish the LOCAL GOVERNMENT with a list of prequalified consultant firms in the appropriate area-classes. If there is federal aid highway program funding participation, the LOCAL GOVERNMENT shall comply with all applicable state and federal regulations for the procurement of engineering and design related services including but not limited to 23 C.F.R. Part 172, or the Brooks Architect-Engineers Act of 1972, for any consultant hired to perform work on the PROJECT. If there are no federal aid highway program funding in the engineering and design related services contract, the contracting agency may procure the services in accordance with its own established policies and procedures which reflect applicable State and local laws. However, in such an event, the costs of consultant service contracts that utilize only State or local funding which were not procured, negotiated, or administered in accordance with applicable Federal laws and regulations would not be eligible to apply toward the non-Federal share of costs for subsequent phases (e.g., construction) of a project funded by the federal aid highway program.

7. The DEPARTMENT will be responsible for all railroad coordination on DEPARTMENT Let and/or State Route (On-System) projects; the LOCAL GOVERNMENT shall address concerns, comments, and requirements to the satisfaction of the Railroad and the DEPARTMENT. If the LOCAL GOVERNMENT is shown to let the construction per an approved Local Let Approval Form (LLAF) on off-system routes, the LOCAL GOVERNMENT shall be responsible for all railroad coordination and addressing concerns, comments, and requirements to the satisfaction of the Railroad and the DEPARTMENT for the PROJECT.

8. The DEPARTMENT reserves the right to review and reserves approval authority for all aspects of the PROJECT provided, however, this review and approval does not relieve the LOCAL GOVERNMENT of its responsibilities under the terms of this Agreement.

9. The LOCAL GOVERNMENT agrees that all reports, plans, drawings, studies, specifications, estimates, maps, computations, computer files and printouts, and any other data prepared under the terms of this Agreement shall become the property of the DEPARTMENT if the PROJECT is being let by the DEPARTMENT. This data shall be organized, indexed, bound, and delivered to the DEPARTMENT no later than the advertisement of the PROJECT for letting. The DEPARTMENT shall have the right to use this material without restriction or limitation and without compensation to the LOCAL GOVERNMENT.

10. The LOCAL GOVERNMENT shall be responsible for the professional quality, technical accuracy, and the coordination of all reports, designs, drawings, specifications, and other services furnished by or on behalf of the LOCAL GOVERNMENT pursuant to this Agreement. The LOCAL GOVERNMENT shall correct or revise, or cause to be corrected or revised, any errors or deficiencies in the reports, designs, drawings, specifications, and other services furnished for this PROJECT. Failure by the LOCAL GOVERNMENT to address the errors, omissions or deficiencies within 30 days of notification shall cause the LOCAL GOVERNMENT to assume all responsibility for construction delays and supplemental agreements caused by the errors and deficiencies. All revisions shall be coordinated with the DEPARTMENT prior to issuance. The LOCAL GOVERNMENT shall also be responsible for any claim, damage, loss or expense, to the extent allowed by law that is attributable to errors, omissions, or negligent acts related to the designs, drawings, specifications, and other services furnished by or on behalf of the LOCAL GOVERNMENT pursuant to this Agreement.

In all solicitations either by competitive bidding or negotiations made by the SPONSOR for work to be performed under a subcontract, including procurement of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the SPONSOR of the SPONSOR's obligations under this contract and the Regulations relative to nondiscrimination on the ground of race, color, sex, or national origin.
4. **Information and Reports**
The SPONSOR shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information and its facilities as may be determined by the State Department of Transportation or the Federal Highway Administration to be pertinent to ascertain compliance with such Regulations, orders, and instructions. Where any information required of a sponsor is in the exclusive possession of another who fails or refuses to furnish this information, the Sponsor shall so certify to the State Department of Transportation, or the Federal Highway Administration as appropriate, and shall set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance**
In the event of the SPONSOR's noncompliance with the nondiscrimination provisions of this contract, the State Department of Transportation shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to:
 - a. Withholding of payments to the SPONSOR under the contract until the SPONSOR complies;
 - and/or b. Cancellation, termination, or suspension of the contact, in whole or in part.
6. **Incorporation of Provisions**
The SPONSOR shall include the provisions of paragraphs (1) through (6) in every subcontract, including procurement of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto.

The SPONSOR shall take such action with respect to any subcontractor or procurement as the State Department of Transportation or the Federal Highway Administration may direct as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event a Sponsor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the Sponsor may request the State to enter into such litigation to protect the interests of the state and, in addition, the Sponsor may request the United States to enter into such litigation to protect the interests of the United States.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Georgia Department of Transportation (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
