Written Analysis

In details please address these Variance Criteria:

- a. Are there extraordinary and exceptional conditions or practical difficulties pertaining to the particular piece of property in question because of its size, shape or topography that are not applicable to other lands or structures in the same district.

Yes, the homes structures shape is positioned oddly, due to the position, neighboring homes occupy public street parking.

- b. A literal interpretation of the provisions of this development code would effectively deprive the applicant of rights commonly enjoyed by other properties of the district in which the property is located.

The development code would deprive me of rights commonly enjoyed by people within my neighborhood with additional driveways.

- c. Granting the variance requested will not confer upon the property of the applicant any special privileges that are denied to other properties of the district in which the applicant's property is located

Granting the variance would not award me any special privileges; a number of my neighbors in my subdivision have additional driveways

- d. The requested variance will be in harmony with the purpose and intent of this development code and will not be injurious to the neighborhood or to the general welfare.

The requested variance will definitely be in harmony with the purpose and intent of this development code and will not be injurious to the neighborhood or its general welfare.

- e. The special circumstances are not the result of the actions of the applicant.

I am not responsible for the special circumstances.

- f. The variance requested is the minimum variance that will make possible the proposed use of the land, building, or structure in the use district proposed.

I am requesting this variance due to necessity, not convenience. I am only asking for minimum deviation to use my property in a reasonable way.

- g. The variance shall not permit a use of land, building or structures, which is not permitted by right in the zoning district overlay district involved.

The variance will not be used to introduce a type of land, building or structure that is prohibited in the zoning district or overlay district.
