February 23, 2023

Ms. Jazmyn McCloud
Cobb/Douglas Public Health
1650 County Services Parkway
Marietta, GA 30008

Dear Ms. McCloud:

The Powder Springs Police Department fully supports the 2023 Community Health Improvement Plan Partnership Grant application submitted by Mr. Chris Brewer on behalf of our city. Our police officers are the first responders in many cases to mental health calls that have been routed through the 911 emergency response system. Funding from this grant will support our efforts in providing the appropriate level of response for mental and behavioral health citizens in need of immediate intervention.

Our department has established a working relationship with Cobb County CARES and PATH units. Our city program seeks to complement the services PATH and CARES are providing county wide.

Sincerely,

A handwritten signature in black ink, appearing to read "L. Cadwell".

Lane Cadwell,

Chief of Police

City of Powder Springs
