Dear Ms. Conner:

On behalf of Governor Brian P. Kemp, it is my pleasure to inform you that a Hazard Mitigation Grant Program (HMGP) award has been approved by the Federal Emergency Management Agency. This grant, which has been designated HMGP 4579-0007, will be used to acquire and demolish one (1) structure at 4436 Long Street Powder Springs, GA 30127 (33.85459, - 84.68365) and return the land to green space. The total approved cost is \$77,105.00, with a federal share of \$69,394.50 (90%), a state share of \$4,626.30 (6%), and a local share of \$3,084.20 (4%).

In conjunction with the award of the project, the Recipient has requested FEMA approval of Subrecipient Management Costs (SRMC) for anticipated personnel expenses. Since the management costs application is below the threshold of \$25,000.00, and in accordance with the obligation policy, the full request of \$2,000.00 has been approved and obligated.

These funds are subject to the execution of the enclosed Recipient-Subrecipient Agreement. Please sign and return the copy of the agreement and a fully executed copy will be returned to you later for your files.

Thank you for your commitment to protect Georgia citizens. I appreciate your efforts to ensure that Georgia continues to be a safer place for us to live and raise our families. By working together, we are continuing to reduce the impacts caused by natural hazards. Should you have any questions regarding this grant, please contact Stephen Clark, Hazard Mitigation Manager, at [REDACTED].

Sincerely,

James C. Stallings
