

Addendum for
Attachment of Banners and Seasonal Decorations
to the
Governmental Pole Attachment License Agreement
Between
Georgia Power Company
and
City of Powder Springs, Georgia

WHEREAS, Georgia Power Company (hereinafter “Georgia Power”) and City of Powder Springs, Georgia (hereinafter “Licensee”) have entered into a Pole Attachment License Agreement, dated _____ (hereinafter the “Agreement”); and

WHEREAS, Georgia Power and Licensee mutually desire to expand the scope of the Agreement to allow for the Attachment of Banners and Seasonal Decorations to the Poles of Georgia Power;

NOW THEREFORE, in consideration of mutual promises contained herein, Georgia Power and Licensee enter into this Addendum for the Attachment of Banners and Seasonal Decorations (the “Addendum”) and agree as follows:

1. The terms and conditions of the Agreement shall govern this Addendum, except as explicitly stated herein.
2. “Banners” shall mean a sign that is not made of rigid material nor enclosed in a rigid frame so as to allow movement, and that is mounted to a Pole, along with all the equipment required to accommodate the installation of said sign. All Banners must comply with Georgia Power’s specifications.
3. “Seasonal Decorations” include natural or artificial evergreens, ornaments, lanterns, artificial candles, figurines and the like, which may be illuminated or otherwise electrified, along with all the equipment required to accommodate the installation of said items. Seasonal Decorations do not include any form of wireline or wireless communications device, signs, commercial advertising or messages, political advertising or messages, pole-to-pole banners or fixtures, street-crossing banners or fixtures, open flames of any type, or any other fixture of whatever type, size or character that Georgia Power, in its sole discretion, shall prohibit or refuse to allow to be placed on its Poles. All Seasonal Decorations must comply with Georgia Power’s specifications.
4. Licensee may not affix Banners or Seasonal Decoration to any Pole until Licensee requests and receives written permission from Georgia Power, using the form attached hereto as Exhibit A, “Banner and Seasonal Decoration Permit Application.” Georgia Power may deny any such request in its sole discretion, and nothing in this Addendum shall be construed to require Georgia Power to approve any request under any circumstances. Such request(s) for permission to attach Banners and Seasonal Decorations shall include information as to the number of Poles Licensee plans to attach to, a description of the Banner or Seasonal Decoration to be attached, and the duration of the Banner or Seasonal Decoration display. All such requests shall be submitted to:

Georgia Power Company
Attn: Joint Use Coordinator
241 Ralph McGill Boulevard, N. E.
Bin 20030
Atlanta, GA 30308-3374
Email: jdwilson@southernco.com
Facsimile: 404-506-2925

5. Licensee's Banners and Seasonal Decorations must be located in a space designated by Georgia Power. The Banners and Seasonal Decorations must comply with all Legal Requirements, including, but not limited to, separation and clearance requirements and all Georgia Power construction standards and requirements. Licensee's Banners and Seasonal Decorations must not interfere with or obstruct any other party's equipment on a Pole.

6. Licensee shall remove all of its Banners and Seasonal Decorations from Georgia Power's Poles no later than 10 days after the date specified in Licensee's Banner and Seasonal Decoration Permit Application. Licensee shall give written notice to Georgia Power upon removal of any Banners or Seasonal Decorations. If Licensee does not immediately so remove all such Banners and Seasonal Decorations, then Georgia Power shall be entitled to remove any remaining Banners or Seasonal Decorations at Licensee's sole cost and expense and without any liability therefor. Georgia Power may, in its discretion, arrange for Licensee to leave on Georgia Power's Poles some or all equipment necessary to accommodate the installation of any Banner or Seasonal Attachment removed under this Section 7.

7. In the event that any of Licensee's Seasonal Decorations require electric power, Georgia Power's written approval shall describe the manner in which such Seasonal Decorations must be connected to sources of power on Georgia Power's Distribution Pole(s). The Seasonal Decorations that require electric power shall be connected to Georgia Power's electric power distribution system present on the Pole on which the Seasonal Decoration is located and shall not draw on any other power source. Electric power to Licensee's Seasonal Decorations shall be billed based on an estimated energy use of the Seasonal Decoration for the duration of the display. Georgia Power shall invoice Licensee for the estimated amount of energy used, and Licensee agrees to pay Georgia Power for such power within a reasonable time of receipt of said invoice.
