ACTIVITY	DESCRIPTION	QTY	RATE	AMOUNT
Miscellaneous	Infrastructure Repair - Misc Concrete Repairs - Scope of work as received via email from the City on 10/16/2023	1	56,000.00	56,000.00

### Notes:

1. Lane Closures will be needed to perform this work and we will work under a 9:00 AM - 4:00 PM lane restriction unless otherwise instructed.
2. We have priced to install the SW at Richard D. Sailor and New Macland to be 8" thick due to tractor trailer traffic going over. (We can't warranty this area due to the tight turn radius and current stop bar position on New Macland which does not allow for proper right turns onto New Macland from RDS.)
