Subject: Westgate Church Planning and Zoning Recommendation

My name is Jason Mulkey. I live at 2683 Old Lost Mountain Road. I've lived here over 20 years and I've lived in Powder Springs for over 30 years. I went to and graduated from McEachern High School. My mother, Helen Norman, lives right next door to me. We have an extended family here in Powder Springs, like several families right here on Old Lost Mountain Road.

I am a member of Westgate Church. They are trying to rent a space next to Treasure Hunt. I understand there are a couple variance issues to navigate.

I would like to personally recommend the city approve the request for my church to move into the proposed space. I and my family have been members of Westgate for a couple years now. I've never met a group of people more dedicated to furthering God's kingdom. We have an ethnically-diverse, age-diverse congregation. We all have a love of God in common, and nothing else is required. It's a group of people who would normally not associate. In my 2 years I've not experienced one instance of conflict or drama amongst the members.

I'm sure there are technical or zoning issues that have to be addressed. I also know that we can do amazing things when we are trying to serve God. If a church would ever be allowed to move in to this space, I feel that Westgate should qualify on merit alone, if that helps.

I hope and pray you guys find a way to allow my church to move to this location.
