Hi Tina,

Per the below, the DCA has approved the City of Powder Springs CIE Amendment. The review period has also ended and no comments were received.

The City can now proceed with adopting the Amendment. Once that is done, please submit the adopted version including the resolution of adoption. ARC will then follow up with the DCA on the QLG extension.

Best,

Donald Shockey,

Andrew,

Our staff has reviewed the Capital Improvement Element (CIE) amendment for the City of Powder Springs and finds that it adequately addresses the Local Planning Requirements. The next step is for

the local government to adopt the CIE. As soon as your office provides written notice that the CIE Amendment has been adopted and provides DCA with a digital copy of the final adopted version of the new CIE, we will update our records to reflect the changes in the amendment.

Thanks,
