

RESOLUTION 2023 - 052

A RESOLUTION APPROVING AND AUTHORIZING THE PURCHASE OF LASEFICHE SOFTWARE FOR THE COMMUNITY DEVELOPMENT DEPARTMENT TO FACILITATE THE ELECTRONIC SEARCH AND RETRIEVAL OF HISTORICAL PERMIT DATA, ZONING FILES, AND BUSINESS LICENSE DATA; PROVIDING AN EFFECTIVE DATE; AND FOR OTHER PURPOSES.

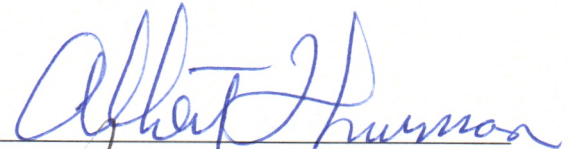

WHEREAS the City of Powder Springs (the "City") Community Development department has an ongoing regular need to access historic permit data, zoning files, and business license data in the performance of its daily operations;

WHEREAS the Community Development department examined various software programs and recommends the purchase and use of Lasefiche software to enable Community Development staff to search all departmental files and create workflows to assist in business license renewal processing; and

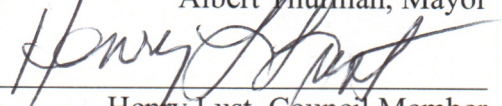

WHEREAS electronic retrieval of historic data will result in greater efficiencies in fulfilling daily operations in processing permits, zoning and business licensing applications and projects, and the City desires to authorize the use of technology to provide greater efficiencies in operations with resulting benefits to customers in need of permitting, zoning and business license assistance;

BE IT THEREFORE RESOLVED by the Council for the City of Powder Springs that it authorizes and approves the purchase of Laserfiche software for Community Development operations and authorizes the Mayor to execute documents or agreements needed to effectuate same, subject to review and approval by the City Attorney. This resolution shall become effective immediately upon adoption.

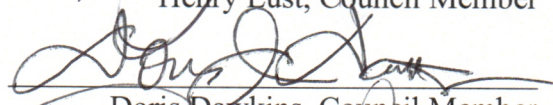

SO RESOLVED this 6th day of March, 2023.
