Note: Other funding sources include capital improvement budget and/or SPLOST funds.

As of 2018, the city has a slight deficiency in parks and recreation facilities (2 acres). This facility need must be provided within a reasonable period of time (5 years suggested) and cannot be funded with parks and recreation impact fees. In FY 2019 and FY 2020, the City of Powder Springs developed Hopkins Road Park which is approximately 2.5 acres as a six-hole disc golf course and a gravel walking path. The City of Powder Springs also developed the Lancer Drive park that is approximately 1 acre. These parks were not funded using impact fees.
