---

**A RESOLUTION APPROVING AND RATIFYING ACTIONS OF CITY MANAGER AUTHORIZING RELOCATION OF SEWER LATERALS RELATED TO A REPAIR PROJECT ON PADDOCKS WAY; TO PROVIDE FOR AN EFFECTIVE DATE; AND FOR OTHER PURPOSES.**

---

**WHEREAS**, the City of Powder Springs ("City") previously approved the replacement of a deficient storm drain pipe on Paddocks Way;

**WHEREAS**, during project construction, the contractor encountered a problem involving two sewer laterals, and the Public Works Director confirmed that the two laterals required relocation in order to create clearance for the new storm drain pipe;

**WHEREAS**, the City requested the contractor to proceed with the lateral relocation while the road had an open cut, and the contractor completed said work for an additional project cost of \$1500;

**WHEREAS**, the Mayor and Council find such expenditure to be necessary, appropriate, and in the best interest of the public.

**NOW THEREFORE**, be it hereby resolved by the Mayor and Council of the City of Powder Springs that the necessary sewer later relocation work on Paddocks Way relating to a previously approved storm drain project is hereby approved and ratified at a cost of \$1,500.00, thereby increasing the overall contract amount to \$10,055.31. This Resolution shall take effect immediately upon adoption.
