

**TASK AUTHORIZATION #2  
TO THE AGREEMENT BETWEEN  
THE CITY OF POWDER SPRINGS AND A. GOLDSMITH RESOURCES, LLC**

This Task Authorization is executed by the City of Powder Springs, Georgia (City) and A. Goldsmith Resources, LLC (AGR) on March 4, 2022 and is subject to the terms and conditions of the Master Services Agreement dated March 5, 2021.

### Scope

AGR will identify and assess options available to the City for providing future recycling services to residents. The options are likely to include:

- Enter into new contract for curbside recycling;
- Collect recyclables curbside with City trucks and labor;
- Suspend curbside collection and collect recyclables at drop-off center(s);
- Suspend curbside collection and do not provide City drop-off center.
- Explore potential to collaborate with Cobb County or nearby cities on curbside or drop-off programs.

AGR will conduct research into options and deliver a report describing the advantages and disadvantages, planning level cost estimates, and steps to implement each option. AGR will also present the findings in a presentation delivered to City Council.

### Schedule

The draft report can be completed by April 15, 2022 assuming notice to proceed is received by March 18, 2022. The presentation to City Council can be scheduled any time thereafter.

### Budget and Payment Terms

The scope of services described in this Task Authorization will be performed on a fixed fee basis for a total budget of \$9,050.00 including all labor and expenses. AGR will invoice the City of Powder Springs at the end of each month based on the estimated percentage of the project completed in that month. Each invoice will include a bulleted list of activities performed in the month covered by the invoice.

IN WITNESS WHEREOF, the Parties have signed this Task Authorization on the date first written above.
