

Speed Tables

Constructed out of Concrete. Will Match Atlanta Street except these will not have pavers.

Budgeted Amount: \$48,680.00 for 2

Rectangular Rapid Flashing Beacon

Similar to the existing one located on Marietta Street at Broad Street. This would be subject to a traffic study before placement.

Budgeted amount: \$24,000.00

Rumble Strips

Will create a noise and vibration to alert drivers they are approaching the intersection. Could create noise pollution.

Budgeted Amount: \$7,000.00

Flashing Red Light

Flashing red light located above intersection to alert drivers of the approaching intersection.

Budgeted Amount: \$10,000.00
