The vision of this event is to have what we will call a "marketplace" or "the market" from 4:30pm - 6:30pm. We plan on having about 4-5 local vendors from business in the local area to participate. Then from about 6:40pm - 8pm we will host a worship night in the park. We want to host this event to connect with our community and also spread the vision of our Church - Love, Acceptance, and Forgiveness. We will not require any road closures. The only information we would like at this time, is would we need to provide someone to do lighting and sound?
