Plan Review Information

Your plans have been reviewed under code(s) listed above. These plans have only been reviewed for compliance with building codes adopted by this jurisdiction.

If "Resubmittal Required" is checked under Plan Review Completion Status above, a resubmittal of plans addressing the comments is required. Please follow any resubmittal process defined by the jurisdiction.

If "Approved" or "Approved with Comments" is checked under Plan Review Completion Status above, any remaining comments shall be addressed during construction. The commencement of work constitutes acceptance of all items listed herein.

Your plans have been reviewed under code listed above. This addendum shall be made part of the approved plans. All items listed below shall be performed and shall be incorporated into the work.

These plans have only been reviewed for compliance with building codes adopted by this jurisdiction. There may be other regulations applicable under state and federal statutes which this department has no authority to enforce and are not a part of this plan review. This addendum is to be signed by the builder/owner and returned to our office. The signing of this addendum is an agreement that you will comply with all items listed herein. The commencement of work constitutes acceptance of all items listed herein. A signed copy of the addendum needs to be in the building department office and on site for inspections before inspections can be scheduled.
