Service / Product	Description
Terms and Conditions - NET 30	<p>All materials specified above along with work performed (in accordance with the specifications) will be guaranteed and completed in a workman like manner for the sum listed above and due upon completion. Any alterations or deviations from the above specifications involving extra costs should be in writing along with authorized signatures. We are neither responsible nor liable for delays, damages, or losses sustained by customer due to causes beyond our control. All proposals are based on normal conditions. If hidden structures, piping, cable, debris, rock, excessive water or caving conditions are encountered, costs to repair or replace will be paid by the customer. Insurance certificates are available upon requests.</p> <p>Payment is due 30 days after completion of job. If payment is not received 30 days after completion it becomes past due. If payment is not made as specified in the "TERMS AND CONDITIONS" section of this agreement a finance charge of 1.5% per month (18% annually) will be added to each outstanding invoice as well as collection costs such as but not limited to attorney fees, lien fees, and court costs if monies due hereunder are collected by law.</p> <p>Proposal price is good for 30 days, after which proposal may need to be revised prior to work beginning.</p>

I hereby represent and warrant that I am fully authorized to sign this "Quote" on behalf of the above noted client and have hereby directed and approved the above referenced work for both performance and payment. I further acknowledge that PKS Construction & Development, Inc., is relying on my representation herein to perform this work.
