Ms. Battle

On behalf of the City of Powder Springs, I would like to officially request the renewal of our City's Speed Detection Device Permit that is set to expire on 12/31/19.

Attached with this request is proof of our speed detection device calibrations and a Speed Detection Report from the Peace Officers Standards and Training Council detailing the sworn employees trained to operate speed detection devices within our city limits.

Please don't hesitate to contact me at 770-943-1666 with any questions.

Sincerely,

Al Thurman, Mayor
City of Powder Springs
